

### **Covid 19 - Pre-Treatment Triage Form**

At Ratoath Dental and Implant Centre, we are working our hardest to provide excellent measures to protect our patients and staff during this pandemic period. This patient medical disclosure form will help us to consider when it is safe to proceed with your dental treatment. It is important that you disclose to the practice any indication of possible exposure to COVID-19, or if you have experienced any signs or symptoms associated with the COVID- 19 virus. A weak or compromised immune system including Radiation Therapy, Diabetes, Asthma or other conditions can put you at greater risk of contracting the virus and we may need to consider rescheduling your appointment. Please be assured we have your best interests in mind, and we will try to ensure you are properly cared for.

**Please complete the following document and return it to us before your next appointment. We will not be able to treat you unless it has been returned to us.**

- Do you have a fever or a high temperature? Yes / No
- Have you experienced shortness of breath or trouble with breathing? Yes / No
- Do you have a dry cough? Yes / No
- Do you have a runny nose? Yes / No
- Have you recently lost or had a reduction in your sense of smell? Yes / No
- Do you have a sore throat? Yes / No
- Have you been in contact with anyone with Covid-19? Yes /No
- Have you tested positive with Covid -19 or waiting on results?
- Have you travelled outside Ireland in last 14 days Yes / No
- Do you consent to your temperature being taken? Yes / No
- Do you consent to your oxygen levels be taken with pulse oximeter? Yes / No

I fully understand all the above information and cautions regarding Covid 19 and have fully disclosed to my dentist all relevant information in my medical health history.

### **Additional information**

- Please follow social distancing and hand sanitising measures when entering the practice
- If you are uncomfortable to sit in our waiting area please call us when you arrive and wait in your car. We will call you when the dentist is ready for you to enter the surgery.
- Please attend the practice on your own. Do not bring children unless they have a dental appointment. Escorts can wait in the car
- We do try to run all our appointments on time, but please allow for longer waiting times due to increased cross infection measures between patients.

**Rest assured our control measures are of the very highest WHO recommended standards for your protection.**
